The Boston-Haifa Connection

Our own Anita Feld spent six weeks with the Boston-Haifa Connection in Israel. She has arranged to have the two coordinators of this Program, Steven and Carol Doppelt, discuss this mission and show a video presentation. Afterwards, you may want to become part of this learning experience.

This is a Should-Not-Miss Event!

The breakfast charge, payable at the door, is: members: \$8.00
non members: \$10.00

There is no charge if you just want to attend the program without breakfast.
The program will start at 10:15am. There will be chairs set up for you.

Please make reservations by Wednesday, October 15th, indicating whether with or without breakfast (even if you just *think* you might come) with either:

Mickie Leff: 781-933-3889 or Edith Paster: 781-861-0322

Or, if you prefer, e-mail your reservation to Arthur Orenberg.
