

# Synagogue Skills For All

Temple Emunah Wants You! Are you interested in brushing up on your Torah leyning, haftarah reading, and davening skills? We will help you become a more confident Torah and haftarah reader or davener by matching you up with a coach who will guide you step by step through the process at your own pace until you are ready to participate publicly. Here is a great opportunity to strengthen your community by gaining the skills to participate more fully in synagogue services.
