

Temple Emunah De-Carbonizers

Climate Action in Our Community

Sunday, April 30, 2017 / 9:45 AM to Noon
at Temple Emunah, 9 Piper Road, Lexington, MA
Coffee, tea and a light breakfast will be served.

Come hear members of Temple Emunah tell their stories about how they reduced their carbon footprint. These are steps we can all take to help reduce carbon emissions:

- My experience with Mass Save
- My solar project
- My e-car
- My geothermal home heating (and cooling)

**Reduce your
Carbon Footprint.**

**This program is brought to you by Temple Emunah's
Climate Action Committee.**

**This event is FREE, but please RSVP
to Esther Hausman at estherhausman@gmail.com**
