

Constructive Conversations @ Israel

A Respectful Dialogue About Our Relationship with Israel

Why? An opportunity and forum for members of Temple Emunah to have a facilitated, calm and respectful conversation about Israel; enabling us to clarify and express our own feelings and thoughts about Israel, and to better understand other members' feelings and thoughts. We hope that people with very different views and opinions can have a voice and feel welcome; we hope to learn skills that will enable us to continue to have constructive conversations with people with whom we disagree.

SUNDAY, 1:00—3:15 PM, MARCH 19 & APRIL 30, 2017
RUBINOVITZ SOCIAL HALL 2
