

Calling all Engineers!

THEME NIGHT AT MINYAN
Thursday, April 4, 2019 @ 7:30 PM

Please join Emunah Connect for an Engineering-themed Minyan. Expect wonderful company from other Temple Emunah members who are engineers of all varieties (i.e. electrical, mechanical, civil, hardware, software, optical, etc.). Our goal is to get people of similar interests together and exchange ideas, thoughts, information, etc.

Share what you do! Learn what other engineers do! Build a network of like-minded professionals. Look for an engineering mentor. The sky's the limit. We look forward to seeing you for an evening of engineering-related fun and networking.

The logo for Emunah Connect features the words "EMUNAH CONNECT" in a bold, black, sans-serif font. Above the text is a blue horizontal bar with a white outline. On the left and right ends of this bar are small icons of hands shaking. In the center of the bar is a stylized blue and white icon of a menorah or a similar symbol.

Theme Nights at Minyan are free, open to all, and include light refreshments. They are sponsored by the Ladle Fund.
What you put in the pot comes out in the ladle!
