THEME NIGHT AT MINYAN

Thursday, February 21, 2019 @ 7:30 PM

The famous photographer Ansel Adams once said “There are always two people in every picture: the photographer and the viewer.” Do you love framing and seeing the world through your camera? Do you seek out opportunities to see great photographs? Do you wonder how to improve even the snapshots you take with your smartphone? Whatever your level of expertise and experience, come to **Evening Minyan on Thursday, February 21 at 7:30 PM** and stay for a discussion of all things photographic. This theme night is hosted by Stan Deutsch and Lou Stuhl. *All are welcome!*

Theme Nights at Minyan are free and open to all and include light refreshments. They are sponsored by The Ladle Fund. What you put in the pot comes out in the ladle!
