THEME NIGHT AT MINYAN

Wednesday, February 27, 2019 @ 7:30 PM

The process and decision making for what to do as you or your loved ones age is personal and different for each of us. No one solution is appropriate for everyone, and there are multiple paths to get to a satisfying situation. At this Theme Night at Minyan there will be brief presentations explaining the differences between staying at home, CCC, assisted living, and skilled nursing care. If you are planning for your own future, are working to help move your loved ones, or if you have been through this process and are willing to share your experience, please come and participate in this discussion!

Come with questions that will help you know what you need to consider when making the right decision for you or your family. All positions and ideas will be respected! Our facilitators and the topic they will present will be: Rachel Rosenblum (Aging in Place at Home), & Barbara Wells (CCC, Continuous Care Community).

Theme Nights at Minyan are free and open to all and include light refreshments. They are sponsored by The Ladle Fund. What you put in the pot comes out in the ladle!
