We gratefully acknowledge our dedicated Friends of Glatzer. Your generosity makes it possible to honor the memories of Professor Nahum and Anne Glatzer. Professor Nahum N. Glatzer was an internationally renowned scholar and teacher of Judaica. He was a disciple of Franz Rosenzweig and succeeded Martin Buber in the University of Frankfurt Chair of Jewish Philosophy and Ethics. He was a beloved member of the faculties of Brandeis University and Boston University. Anne Glatzer was a devoted teacher at the Shady Hill School. The Nahum and Anne Glatzer Memorial Fund was established by Norm and Milly Koss (z"l). New supporters are always welcome to join the growing list of Friends of Glatzer.
