

Community Breakfast Sunday October 14, 2018 at 9:45 AM "Fragments of a Lost World" with Leora Tec

The Temple Emunah Sisterhood, Brotherhood, and The Adult Education Committee invite everyone to a community breakfast on Sunday, October 14, 9:45 AM to hear speaker Leora Tec give her talk **"Why I am Moved to Bring People to Poland to Teach about Jewish Life."** Leora first went to Poland in 2005 when her mother, Holocaust survivor and scholar Nechama Tec invited her daughter to accompany her on a book tour. Leora was astonished by the warm welcome they received and by the remembrance work being done in Poland by non-Jews. As she returned again and again Leora knew that she had to bring others there to see how lovingly the fragments of the Jewish people's lives were being taken care of.

At this community breakfast we welcome you to listen as Leora shares the story of her journeys to Poland, a land many think of as a place filled with haunted memories, but a place where she has discovered, and works to show others, is a place filled with hope for humanity. **The fee for this event is \$8 for Sisterhood and Brotherhood members, and \$10 for everyone else. Please RSVP to Janet Goldberg at janet.goldberg2@verizon.net.**

Leora Tec, Founder and Director of Bridge To Poland, is the American Ambassador to Brama Grodzka-Teatr-NN and serves on the Board of the American Association for Polish Jewish Studies. She holds a B.A. from Wellesley College and a J.D./LL.M from Duke University School of Law. She is the 2018 recipient of the Mary Elvira Stevens Traveling Fellowship from Wellesley College which she was awarded to pursue several projects related to Jewish memory in Poland.
