Forum on Transgender Rights
Tuesday, October 30, 7:30 PM Minyan
Presentation & Discussion to Follow

On Election Day, November 6, 2018, Ballot Question #3 will ask Massachusetts voters to uphold a law that protects transgender people from discrimination in public spaces. The referendum would repeal our state law that protects transgender people from discrimination in public places, including restaurants, stores, and doctors’ offices. **A YES vote on Question 3 keeps the current law as it is.**

Join us on Tuesday evening, October 30 for a thoughtful conversation on this topic. We will discuss the history of question #3 and how discrimination affects transgender individuals and their families. There will be an opportunity to hear from transgender persons and parents of transgender children. A question and answer period will follow.
