

Woodland Garden Dedication

Saturday, September 21, 2019 @ 12:45 PM

When entering the parking lot at Temple Emunah, drivers are greeted by a "Welcome to Temple Emunah" sign and a lovely garden. Continuing along the drive, members can now enjoy the newly planted beautiful hydrangea trees and woodland greenery known at the "***Sisterhood-Brotherhood Woodland Garden.***"

Further toward the synagogue, we now see beautiful roses, red stemmed dogwood, and a memorial red maple tree. These gardens are now known as *Gan Shalom*, Garden of Peace.

On **Saturday, September 21, 12:45 PM**, Rabbi Lerner will be unveiling and dedicating a plaque in the main lobby of the temple, in appreciation to those members whose generosity helped to make the Woodland Garden a reality. Please join those donors and the Landscape Committee at this meaningful ceremony! Admire the beautiful design of Ruth Super and the artistry of Leon Goldman who made this plaque possible.
