

Perek Yomi Study Group: Reading the Bible from Start to Finish Meets Monthly

You are invited to join Temple Emunah's *Perek Yomi* study group that meets on a regular basis to read and discuss the Bible. This group meets the first Thursday of the month at 8 pm in the Temple Emunah Library.

The original *perek yomi* (daily chapter) concept, promoted by the Conservative movement, was to read one chapter a day, eventually covering the entire Hebrew Bible. Our group has modified this approach since 30 chapters is too much to discuss in one meeting. It is instead proceeding at a more leisurely pace of about 12 chapters per month.

The point of this program is to read material that goes beyond what is read in the synagogue, to do this in consecutive fashion, and to discuss it with peers (not experts). Participants use different translations and bring in material from a variety of sources as well as their own ideas, which leads to very insightful discussions.

To find out what chapters we are currently reading, contact Larry Marin at (781) 861-7855 or lbmlbm@aol.com.
